Joint Position Statement

Against Bullying, Harassment and Inappropriate Behaviour in the Oral Health Sector

The Dental profession is committed to uphold the rights of all to have an inclusive, safe and respectful workplace;

We will not be silent or complicit when faced with controlling, abusive and violent behaviours;

We will empower those in our profession to call to account those behaviours that put others at risk;

We will lead by building awareness and understanding whilst fostering a culture of wellbeing;

We will move forward by working together to remove bullying and harassment from the dental profession.
